This is in response to applicant's declaration filed in the United States Patent and Trademark Office, PCT Legal Office, on 22 February 2007.

On 31 March 2006, a Notification of Missing Requirements (Form PCT/DO/EO/905) was mailed to applicant indicating that the declaration was not executed in accord with 37 CFR 1.66 or 1.68 as the name of the inventor listed on the declaration did not correspond to the inventor's name listed on the published application.

On 30 June 2006, applicant submitted a statement declaring that his name is Flavio Valerio Marin Hernandez, which was accompanied by a notary's statement that Flavio Marin Hernandez appeared before him.

On 25 August 2006, a decision was mailed indicating that the statement did not satisfy the requirements of 37 CFR 1.66 or 1.68 and thus, the declaration was unacceptable.

On 26 September 2006, applicant filed a declaration which was not executed and thus was not in compliance with 37 CFR 1.497(a) and (b). On 6 December 2006, a decision was mailed advising applicant that the declaration was not acceptable because an executed declaration was required.

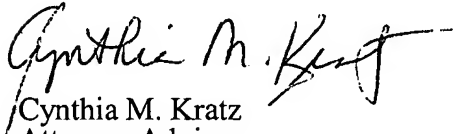

On 22 February 2007, applicant filed a newly executed declaration. A review of the declaration reveals that it is in compliance with 37 CFR 1.497(a) and (b).

CONCLUSION

For the reasons stated above, the executed declaration submitted on 22 February 2007 is

acceptable.

The application will be forwarded to the United States Designated/Elected Office for further processing. The 35 U.S.C. 371(c)(1), (c)(2) and (c)(4) date is 22 February 2007.
